

## Sports Grant Provision Mapping 2017-18

From September 2013 the government introduced Sports Funding for schools. This provided schools in England with approximately £9800 per year to invest in sustainable sporting activity or professional development for the staff. The key priority is to increase the participation in sporting activities for our children and to get them interested in sport from a young age to support a healthy lifestyle. Estimated costs have been allocated in the following way.

### Additional Sports activities

**Overview:** provision of extra-curricular physical activities before school, during lunch breaks and resources as required.

**Cost £ £2,580**

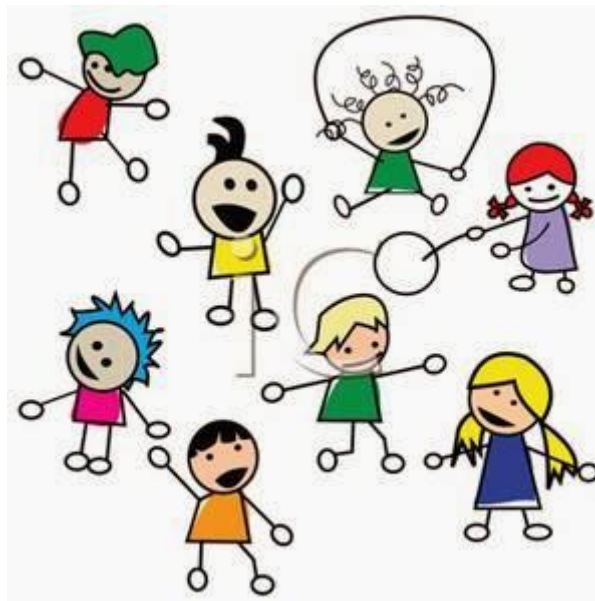

**Aim/outcomes:** pupils offered opportunities that promote and enable them to develop healthy and active lifestyles

### Participation in competitive sports events and competition

**Overview:** provision opportunities for pupils to take part in city wide events and competitions (including transport costs)

**Cost £500**

**Aim/outcomes:** pupils will be able to engage in competitive sports with other school and apply skills learnt in lessons and clubs to a specific sport.

Supporting the whole child

### High Quality PE lesson

**Overview:** provision of high quality PE staff to work alongside staff to up-skill their practice and incorporate assessment into subject.

**Cost £ £6720**

#### Aim/outcomes:

Staffs confidence will improve in delivering and assessing PE using FUNDAMENTALS scheme, and able to transfer skills learnt to own lesson delivery.

### Additional grant proposed expenditure.

*Summer 2017 announced | Sports grant would be doubled – as yet this has not come into school but initial thoughts for additional spend include:-*

**Additional grant: £9,800**

- \*Increase Early Morning Sports club by 2 sessions to include running club.
- \*Install a running track to facilitate the daily mile for classes
- \*Purchase outdoor gym equipment for KS1 and KS2 yard to increase pupils activities at break and utilise outdoors during PE lessons
- \*Purchase additional equipment to enhance PE lessons – i.e. Athletic equipment.
