Additional information to support Reading

We have purchased online reading books for you to enjoy with your child at home to be accessed via Oxford Owls. Some of these books are also in audio format.

Your child will be given a book to read each week at home, and we ask parents to support their child's reading by going through the activities tasks at the beginning of the book:-

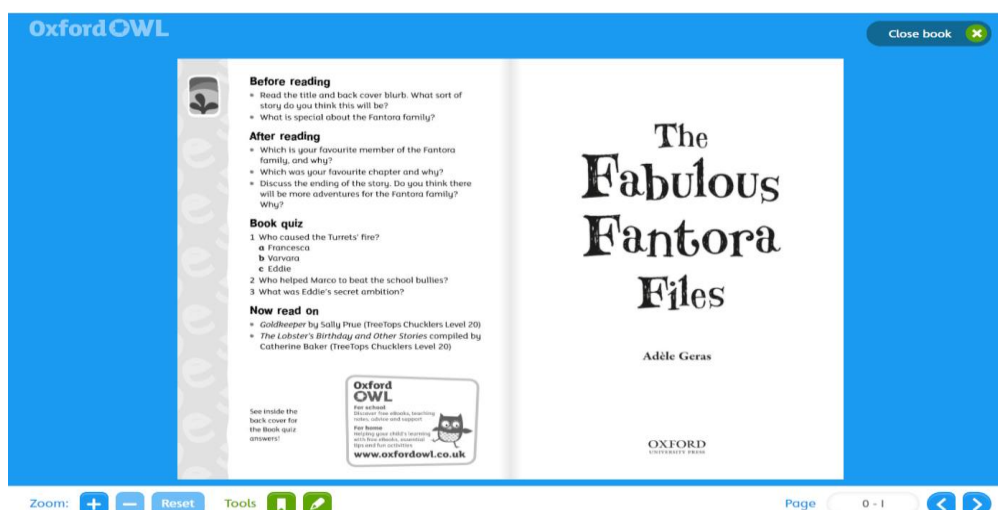

Before reading

After Reading

Book Quiz

Now read on - this is the opportunity to read further books in the phase.

Your child's class teacher will focus on the Book quiz activity each Monday in class.

Your child will bring home a list of all their own unique login details and passwords.
